

Instructions for Your
QUIZFORCE
Registration

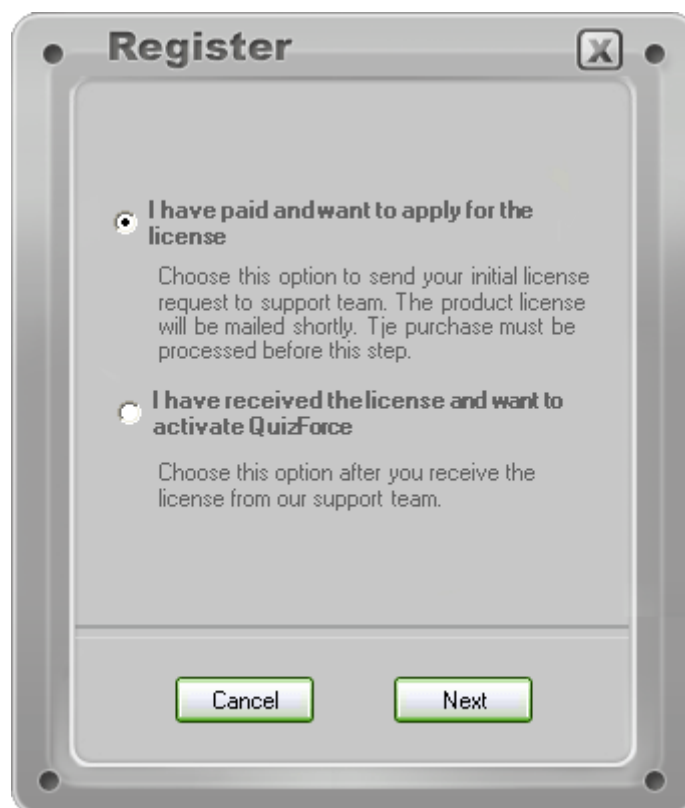

QuizForce

After you have successfully completed the purchase, please register your product. To do this you have to pass through the following simple steps:

1. Launch your QuizForce. QuizForce dialog box will automatically appear (if it does not, click on the "Activate" menu item in the "help" menu at the top), then select "Register" in the dialog box.

A new "Registration" dialog box will appear. Select the first option to apply for the license.

Click "Next" to continue. "Apply for the license" dialog window will appear. Fill in the registration information and click "Send request" button to send it to ElearningForce Support Team.

Register [X]

To apply for the license follow the next steps:
1. Fill in your details.
2. Press "Send request" button to send us your unique initial code.

User Name:

Company:

E-mail:

Note: To complete the verification procedure in the field "User Name" you should use the exact username used to purchase a QuizForce license.

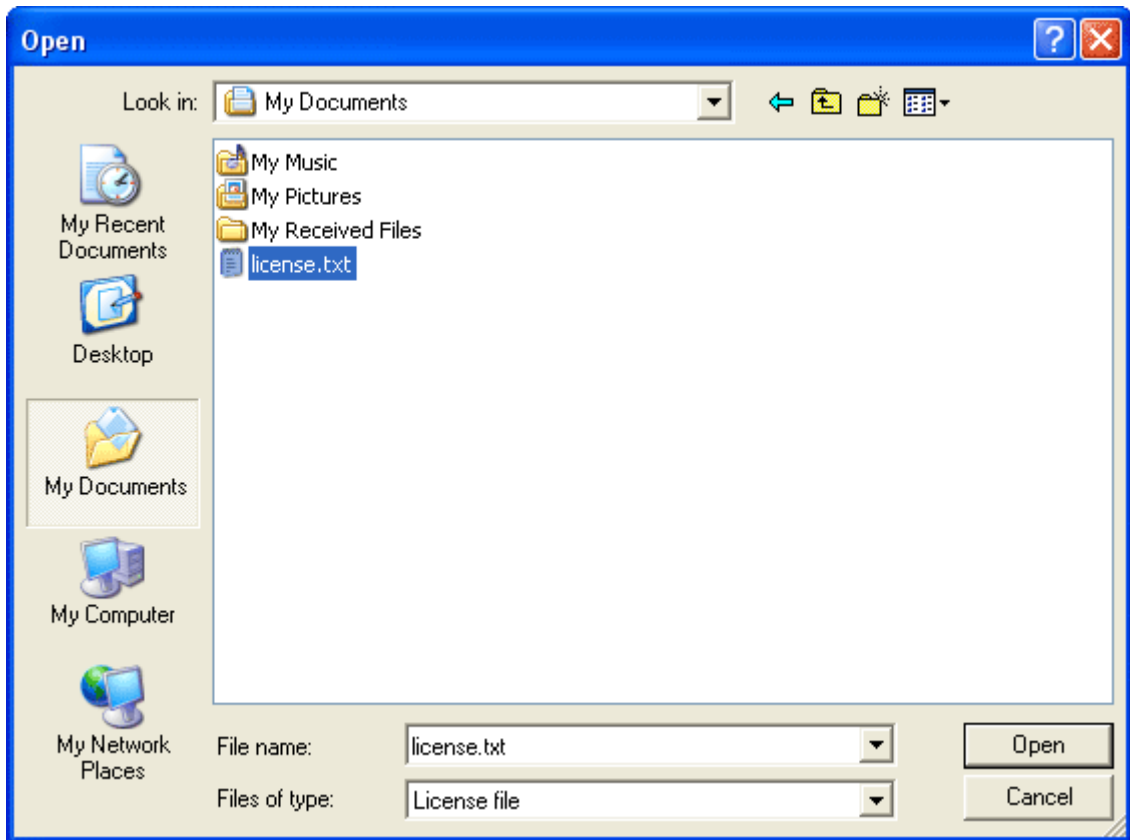

2. Within 1 business day you will receive an Email with a license file.
3. In the Registration dialog box select the second option to activate your QuizForce.

Register [X]

I have paid and want to apply for the license
Choose this option to send your initial license request to support team. The product license will be mailed shortly. The purchase must be processed before this step.

I have received the license and want to activate QuizForce
Choose this option after you receive the license from our support team.

Click "Next" to continue. In the appearing window find and select the license.txt file you have received.

Click "Open". The following dialog box will appear:

Click "Ok" to activate your QuizForce.

4. Enjoy your full product version.
