

Dear all,

There have been many developments in the ElearningForce family over the last couple of months! New products have been released, new staff have joined us and we held our first World Partner Conference in Amsterdam this month.

We are busy preparing for our upcoming Conferences and we would be very pleased to meet you at Educause in Denver from the 3rd to the 6th of November 2009.

Best wishes

Bo Sejer Frandsen

CEO ElearningForce International

### SharePoint e-Portfolio released!

We are pleased to announce the long awaited arrival of SharePoint e-Portfolio for Microsoft Office SharePoint Server 2007.

SharePoint e-Portfolio allows your students to build their portfolio related to their studies, personal reflections, continuing professional development or any other event of personal significance. SharePoint e-Portfolio enables the student to send invitations to other parties to view their portfolio online without requiring access to their SharePoint Server.

SharePoint e-Portfolio combined with our *SharePointLMS* will ultimately give you the highest ROI and enables you to create a total concept for your elearning education process, that said it can also be used as a stand-alone application running on your SharePoint Server.

### Live@EDU for SharePointLMS

Elearningforce International is proud to announce it is the first Microsoft Partner that has successfully integrated [Live@EDU](#) web parts into SharePoint and *SharePointLMS* using **Single Sign On**.

From your institution's SharePoint portal you can now use your *Live@EDU* services such as Outlook Live Email, SkyDrive and Office Live Workspace inside SharePoint and *SharePointLMS* without the need to re-authenticate yourself again and again!

### Harvard Kennedy School of Government selects SharePointLMS

Harvard Kennedy School of Government at Harvard University

The Harvard Kennedy School of Government (HKS) has chosen SharePointLMS as their new LMS platform to deliver their courses and training modules to their students online. SharePointLMS has been developed to run on the highly successful Microsoft Office SharePoint Server which has generated over \$1 billion in revenue last year and continues to rise past that total this year.

### ElearningForce World Partner Conference

On the 1st and 2nd of October ElearningForce International held it's first World Partner Conference in Amsterdam. Hosted by their Partner Piramide e-Learning, ElearningForce met with their Global Partner Network to discuss the new products, product road-map and show pre-releases of their software to come. Partners travelled from as far as Australia, Thailand and South Africa totalling 9 nationalities. ElearningForce is extremely pleased to be supported by such a great network of partners! We can't wait for the next one! We just have to agree on the next location!
